Our Founder

I Dunia Tarraf Akiki, founder of Duniaty, am a passionate entrepreneur. Inspired by the love of nature and natural ecological products, I decided to launch my own business so as to benefit the people by providing them with natural based traditional goods.

My mission is making sure that the people who buy my products enjoy ecologically clean and healthy foods.

More important, healthy does not necessarily mean tasteless. I have made sure that my products are delicious and satisfying to the taste buds.
